Class 1 Bulletin
Autumn 1

Our topic this half term is "Super You!"

Welcome to Class 1! We are all looking forward to welcoming our new children, existing children and all our families to a brand new fun-packed academic year of learning.

Just a few points to note:

- All items of uniform must be labelled with your child's name
- Please arrive to collect your child a few minutes before 3.30pm to avoid your child becoming anxious as they transition to primary school/their new class
- Once settled, each child will be given a reading book linked to our Phonics Scheme (Essential Letters and Sounds). Early reading is a key priority within our curriculum. Please try to establish a good routine by reading for a few minutes every day.

Our Learning: Over the next few weeks, we will be carrying out a number of assessments, so we are able to gage each child's starting points. Once they are complete, we will be learning about ourselves, including the human body, senses, families and the experiences our grandparents had when they were young. In PSHE we will be learning about 'Me and My Relationships'. The children will explore their own feelings and establish their own class rules, so everyone feels safe and valued. In DT we will learn all about healthy food preparation including handling/hygiene procedures. Your child will also receive a Knowledge Organiser which includes key vocabulary and questions relating to our Topic. Please talk about this with your child at home so they become familiar with the language we will be using in class.

PE DAYs (Monday & Friday) Specialist PE Teacher - Mr Ellison (Aut 1)
Our PE days are Monday and Friday. We ask that children arrive at school wearing their PE kit on these days. Please refer to our class webpage for more information relating to PE kit.
