St Cuthbert's CE Primary School
British Values and SMSC in Spanish

SMSC	British Values
Social ➢ A collaborative approach to learning where children regularly converse in Spanish. **Moral** ➢ Learning a new language supports moral development by encouraging children to look, discuss and evaluate a range of social and moral issues found in other cultures. **Spiritual** ➢ Spanish supports spiritual development by exploring new language and vocabulary. Children are encouraged to express themselves in French. **Cultural** ➢ Learning Spanish supports the cultural development of a child by exposing them to a foreign language and culture. It helps promote internationalism and their role within the world. 	**Democracy** ➢ In Spanish, we encourage learning and behaviour strategies that allow all pupils a fair chance to listen and answer in Spanish. ➢ Opportunities to discuss viewpoints in Spanish are encouraged throughout the curriculum in KS2. ➢ Spanish ensures students are respectful to others, take turns and respect and respond to each other's' opinions. **Rule of Law** ➢ We have high expectations of behaviour and work in Spanish lessons for all pupils. ➢ We consistently follow the school behaviour policy. **Mutual Respect** ➢ Pupils are encouraged to believe in their own ability, through opportunities to practise their skills in order to reach their potential in Spanish. **Individual Liberty** ➢ Pupils are encouraged to develop their language skills which will enable them to communicate with many more people in the world in different ways. ➢ Students will discuss how languages can enhance individual liberty in terms of future education choices, careers and life choices. 

'You are now citizens together with God's people and members of the family of God'.
Ephesians 2:19
