ATTENDANCE

Attending school regularly and on time has a positive impact on learning, progress and therefore the life chances of pupils. Research shows that attendance and punctuality are important factors in school success. At Saint Cuthbert's CE Primary School, we expect all children to achieve attendance that is at least 95%.

If a child is absent from school, parents should contact the school before 9.30am on the first day of absence to inform the school of the reason for absence. Parents are expected to maintain contact with the school throughout the absence. At 9.30am, school registers are checked for any absences where there has been no contact by parents and reason given. School staff will send text messages/ contact parents by phone to ascertain a reason for the child's absence from school.

ATTENDANCE

Not all illness' requires an absence from school. For minor childhood ailments such as coughs, colds and ear aches, we would not expect children to be absent. However, when a parent makes the assessment that their child is unfit for school, they should follow the absence process above. It is a school's decision whether to accept the reason for a child's absence and whether to authorise that absence. In the majority of cases, a parent's explanation of their child's illness can be accepted without question or concern. In circumstances where there are concerns about a child's attendance or reason for absence, further evidence of a child's illness may be requested.

For more information, please see the attendance policy

JEWELLERY

Jewellery is not allowed, this includes pierced earrings.

Please do not have piercings done during the school year.

HAIR STYLES

Long hair should be tied back and hair accessories should be small plain either black, grey or purple. Inappropriate short hairstyles including shaved patterns are not allowed.
