Our News

Worship Group

This week we reminded ourselves about our school values- Excellence, respect, kindness, resilience, tolerance and inclusivity. We thought about how these help us to live out our school vision.

In our family school, we strive to be the best for today, for tomorrow, for ourselves, for each other, the wider world and for God.

As a Christian family we nurture an understanding that we are all of equal value and infinite worth.

In the safety of our unique family we will flourish and grow towards being Global Citizens and Courageous Advocates.
